The Secretary; Church of Christ, Ann St.

Dear Bro: Helvie

Enclosed are War Saving
Certificates to the face value of £100 which my
late Sister, Miss J. Mills wished to be handed
to the Church.

It was her wish at the time that the
money should be used for the purpose of
purchasing some new seats for the Church
building.

However she did not know at the
time of the proposal to provide more accommodation
for the Sunday School. This being the case
and knowing how dear to her heart was
the work of the Sunday School we feel sure
that it would be quite in accordance with
her wishes if the Officers prefer to devote the
money to the Building fund.

The delay in handing in the money is
due to the fact the settlement ^{of the estate} has just been
finalized.

Yours fraternally
W. J. Mills

Mr. W.V. Mills,
Chester Road,
ANNENLEY.

Dear Bro. Mills,

I have been directed formally to acknowledge receipt from you of two War Savings Certificates, to the face value of £100, which your later sister, Miss J. Mills, bequeathed to the church.

I have been advised that a letter, and not a receipt, is the correct form of acknowledgement of the transaction.

The board also considered your kindly suggestion as to the use to which the money might be put. After considerable discussion the board decided that it should ear-mark the amount for the purchase at a convenient time of seats for the church.

Thank you for your helpfulness in this matter.

Yours faithfully,

HON. SECRETARY.
